CFA-111-BRZ	12v/120v tree mount junction box with 1/2" NPS holes, mount offset screws,
CFA-111-T-10-BRZ	12v/120v tree mount junction box with 1/2" NPS holes, brass bracket, 10" tree mount straps.
CFA-111-T-15-BRZ	12v/120v tree mount junction box with 1/2" NPS holes, brass bracket, 15" tree mount straps.
CFA-111-T-21-BRZ	12v/120v tree mount junction box with 1/2" NPS holes, brass bracket, 21" tree mount straps. s
CFA-111-T-31-BRZ	12v/120v tree mount junction box with 1/2" NPS holes, brass bracket, 31" tree mount straps.
CFA-111-T-41-BRZ	12v/120v tree mount junction box with 1/2" NPS holes, brass bracket, 41" tree mount straps.

CFA-111-BRT

Oversize design to fit the following transformers and LED drivers::

- HW-12-6350120LED:** Led Driver 120v input 6w output 350mA
- HW-12-6350240LED:** Led Driver 240v input 6w output 350mA
- HW-12-6350277LED:** Led Driver 277v input 6w output 350mA
- HW-12-8700LED:** Led Driver 120v input 8w output 750mA
- HW-12-60LED:** Led Transformer 120v input 60w output - for multiple LEDs
(not for directly powering LED Flat Panels. Only for LEDs with integrated drivers like Arrow, Omni & Modules)
- HW-12-75 75w:** Hardwire electronic transformer 120v input. Not for LED
