

MOUNTING ACCESSORIES

FA-03-3P THREE PRONG STAKE

TYPE

SPECIFICATIONS

MATERIAL: Marine grade 304 Stainless Steel

FINISH: Black Gloss polyester powder coat (-BLK)

Bronze Gloss polyester powder coat (-BRZ)

FEATURES & BENEFITS

- Solid 304 Stainless Steel top and prongs for corrosion resistance
- Three 7.5" long prongs with 4.5" wide top for superior stability
- Prongs push into hard ground easily
- Prongs give added stability in soft soil
- Ideal for rocky and root filled ground where traditional plastic stakes are difficult to use
- 1/2"NPS threaded top for attachment of most all landscape lighting fixtures
