FATR
Tree Ring System

Illuminate Nature's Beauty with Precision.

The Focus Industries Tree Ring Lighting System is a cutting-edge solution designed to illuminate trees with a dramatic and elegant effect. This system encircles the tree's trunk, casting light upward, downward, or both to accentuate the natural beauty and texture of the tree trunk and canopy. Made from durable materials and available in various finishes, the tree ring lighting system is perfect for both residential and commercial landscapes, offering a sophisticated way to highlight outdoor spaces while enhancing safety and ambiance.
