

ACID TREATMENT WEAR

landscape • architectural • hospitality • entertainment • illumination

**Brand New Dark Acid Rust,
(DAR) brass fixture**

**2-year old Dark Acid Rust,
(DAR) brass fixtures**

(From the same property)

Acid treated fixtures are an *un-protected* finish. Finish on these fixtures will change over time. They may fade or darken, depending upon multiple environmental factors.

Focus does not guarantee that fixture appearance will remain the same after installation.
