## SL64 Series LED Cube Surface Mounts

---

The Focus Industries SL64 LED Cube Surface Mount Fixture is a modern lighting solution available in 4" x 4" aluminum or brass extrusion. It offers both down light and up-down light orientations, making it versatile for indoor and outdoor environments. With its sleek design and durable materials, the SL64 is perfect for accentuating architectural features while providing efficient LED illumination.

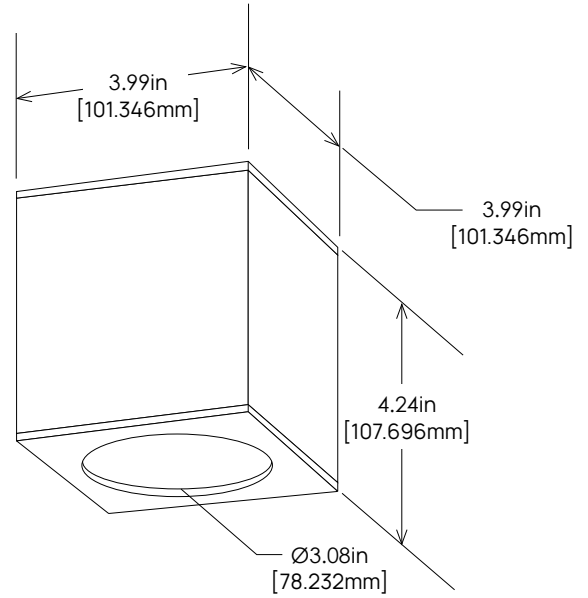

# *LED CUBES Down Light*

## ILLUMINATE WITH FORM & FUNCTION

The SL64 LED Cubes in down light configuration provide a focused, stylish lighting solution ideal for accentuating walls and pathways. Constructed from high-quality aluminum or brass, these fixtures combine durability with modern design. The down light setup directs illumination downward, creating a sleek, minimalist look while enhancing ambiance in both indoor and outdoor spaces. Powered by energy-efficient LED technology, they offer reliable, long-lasting performance suitable for any contemporary setting.
