PL27 Cube Path Lighting

Introducing Focus Industries LED Cube Path Lights: where modern aesthetics meet unparalleled functionality. Designed to illuminate walkways, gardens, and outdoor spaces with a contemporary flair, these path lights redefine ambiance and safety. Crafted with precision engineering and advanced LED technology, each Cube Path Light ensures energy efficiency and durability, promising years of reliable performance. Elevate your outdoor landscape with subtle sophistication and brilliant illumination, courtesy of Focus Industries.
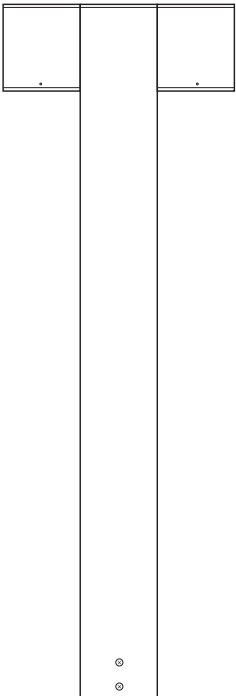

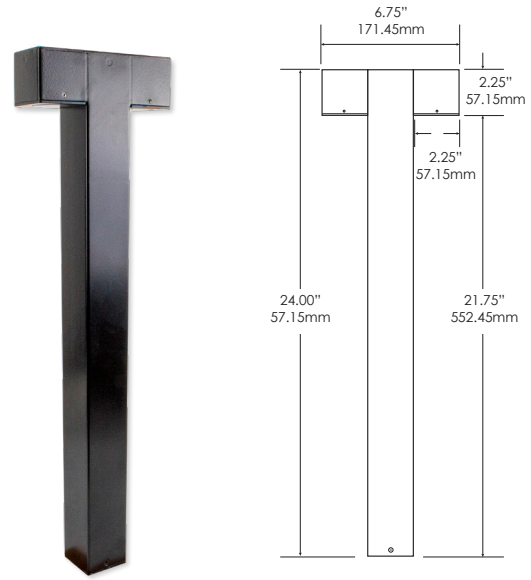

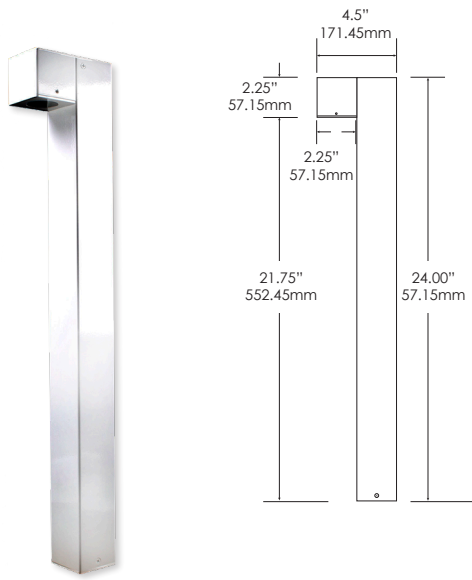

SMALL CUBE PATH LIGHT
LIGHTING TO A 'T'

The Focus Industries cube path light is a modern and sleek outdoor lighting solution designed to enhance pathways, gardens, and landscape features. Crafted with durability in mind, it features a robust construction that withstands various weather conditions. The cube design provides a contemporary aesthetic, while the integrated LED technology ensures energy efficiency and long-lasting illumination. Ideal for both residential and commercial applications, this path light adds a touch of elegance and safety to any outdoor space.

PL27SM1L4WHT
