SL37B Bocce Court Light

Focus Industries, Inc. presents an unparalleled lighting solution for bocce ball courts with their all-machined brass bocce ball court light fixture.

Crafted with precision and durability in mind, this fixture features a 3W MR16 bulb and a linear lens, ensuring even illumination across the entire court for optimal visibility during play. Additionally, a brass bar is strategically incorporated to protect the lens from any stray bocce balls, enhancing the longevity of the fixture. With Focus Industries, Inc.'s commitment to quality and innovation, bocce enthusiasts can enjoy a superior lighting experience that combines functionality with elegance.
