The clearance catalog encompasses a diverse selection to meet various outdoor lighting needs.

Whether enhancing the ambiance of a garden, illuminating pathways, or accentuating architectural features, the Focus Industries Clearance Catalog offers budget-friendly options without compromising on quality or performance.

We Are FOCUS INDUSTRIES

Welcome to the Focus family

We have made it easier to research our great quality products by redesigning the Clearance Catalog to meet the needs of our customers. Save money while not compromising on quality.

Need some design consulting? We can help with that. Speak with one of our knowledgeable sales team members or customer care agents about creating a lighting schedule specific to your project.

We have a great family of sales representatives and distributors located around the United States, which provides you with helpful specs, tips and answers to all your lighting needs. Let us know if you need assistance in finding the nearest one to you.

Stay connected with us

We love seeing how you have incorporated Focus products into the interior or exterior spaces of your project, home or business. Just like you, we love showing it off, and we would love to share your inspirational photos.

Follow us on Facebook, Instagram, and Youtube for great helpful tips, new product releases, clearance items and all the latest happenings with Focus Industries.
