AL2P Area Lights

Precision Flood Lighting for Pathways That Impress

The Focus Industries AL17SM2P combines sleek design with powerful performance, making it a standout choice for modern outdoor lighting. Crafted in aluminum or brass with a range of premium finishes, this compact yet durable fixture delivers brilliant illumination with energy-saving MR16 Super Saver LEDs in both 12V and 120V options. Perfect for commercial spaces, pathways, and upscale landscapes, this Area Light offers style, efficiency, and long-lasting reliability in one elegant package.

AREA LIGHT

LIGHT YOUR WAY WITH PRECISION

The AL2P is a sleek, modern area light featuring a compact 2-inch diameter post and durable aluminum construction. Designed for versatility, it supports both 12V and 120V MR16 LED lamps, delivering powerful, efficient illumination for pathways, landscapes, and architectural accents. Multiple hat style options allow you to customize the look and light distribution, making the AL2P a refined and adaptable solution for any outdoor environment.

AREA LIGHT

LIGHT YOUR WAY WITH PRECISION

The Focus Industries Directional Flood Path Light delivers powerful, targeted illumination for wide pathways and landscaped edges. Built with a durable 2.25-inch square post and the small but powerful DL15SM small directional flood light, it combines modern design with bright, warm white light for enhanced safety and ambiance. The angled head directs light exactly where it's needed, making it a perfect choice for residential and commercial spaces.
